

Texas Division of Emergency Management State Situation Report

New Information in Blue Text

Event Name	22-0004 Winter Weather 01FEB
Date	February 6, 2022
Time	9:00 AM
Operational Period	February 5, 2022 – February 6, 2022
Report Number	4

Regions Affected	
DPS Regions Affected	1, 2, 3, 4, 5, 6
DDCs Active	2, 4A, 4B, 6, 8, 17, 21, 22, 23 & 24

STATEWIDE CURRENT SITUATION: Significant improvements have been seen across the state of Texas after the winter weather moved out of the state. Local temperatures during the day are reaching above freezing, which has helped in improving road conditions. Power has been restored to pre-winter storm levels. Local jurisdictions are assessing any winter storm damages that may have resulted from the snow, ice, and freezing temperatures. All state resources activated in response to the winter weather are being demobilized.

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.

Region 1 (Includes DDCs 4, 5, 6, and 22)

DDC 4A – Hurst (Includes: Denton, Erath, Hood, Johnson, Palo Pinto, Parker, Somervell, Tarrant, and Wise Counties)

DDC 4A decreased their readiness level to Level III. Warming centers will remain open through the weekend.

Denton County - The City of Denton issued a Disaster Declaration on February 1.

Johnson County: Boil water notice reported by TCEQ. The county is not requesting assistance.

DDC 4B – Garland (Includes: Collin, Dallas, Ellis, Hunt, Kaufman, Navarro and Rockwall Counties).

DDC 4B has decreased their activation level to Level II. [All 7 county EOC's and local EOC's have returned to their Covid activation levels.](#)

Collin County – City of Princeton opened a warming center.

Dallas County – Dallas County issued a Disaster Declaration on February 2.

Kaufman County - Kaufman County issued a Disaster Declaration on February 2.

Navarro County – Navarro County issued a Disaster Declaration on February 2.

DDC 6 – Tyler (Includes: Anderson, Camp, Cherokee, Gregg, Harrison, Henderson, Marion, Panola, Rains, Rusk, Smith, Upshur, Van Zandt and Wood Counties)

DDC 6 is activated at Level II (virtual).

DDC 22 – Sherman (Includes: Cooke, Fannin and Grayson Counties)

Cooke County – Cooke County EOC is activated.

Fannin County – Fannin County EOC is activated. Fannin County issued a Disaster Declaration on February 4.

TAMFS began motorist assist patrol along US 82 between Grayson County and Lamar County within Fannin County. The motorist assist patrol conducted by TAMFS and TPWD resulted in five assists along highway systems.

TPWD Fannin County Game Wardens began motorist patrol at the Leonard to Hunt County Line on US 69, Bailey to Wolfe City on SH 11 and Bailey to Bonham on SH 78.

City of Bonham reported a 12-inch water main break.

Grayson County - The Grayson County EOC is activated.

Region 2 (Includes DDCs 13, 14, 15, 16 Houston, 16 Texas City, 16 Conroe, and DDC Pierce)

DDC 16A – Houston (Includes: Chambers and Harris Counties)

Harris County - Harris County is activated at Level III.

DDC 16B – Texas City (Includes: Brazoria and Galveston Counties)

Galveston County: La Marque opened a warming station at their central fire station located at 750 Saltgrass Point Rd, La Marque, TX 77568.

Region 3 (Includes DDCs 19, 20, 21, and 24)

DDC 20 – Corpus Christi (Includes: Aransas, Bee, Brooks, Duval, Jim Wells, Kenedy, Kleberg, Live Oak, Nueces, Refugio, and San Patricio Counties)

DDC 20 has moved to activation Level IV Normal Conditions from Activation Level III Increase Readiness (Virtual) in response to this incident.

All EOCs have returned to previous Activation Levels in response to the ongoing COVID-19 Pandemic. All National Weather Service Watches and Warnings have expired. All roads are clear and open. There are no reported power outages or water system issues. The Collaborative Shelter in Robstown between Nueces County/ Corpus Christi and Robstown will be demobilizing today at noon. Warming centers in Corpus Christi will remain open through 2/6/22 at 1800 Hrs. Emerging concerns are in coastal areas and stunned/ expired sea turtles and wildlife due to cold weather.

Bee County - Bee County EOC has decreased their activation level to Level IV.

Brooks County - Brooks County EOC is activated at Level IV.

Duval County – Duval County EOC is activated at Level IV.

Jim Wells County – Jim Wells County EOC is activated at Level IV.

City of Alice – The City of Alice EOC is activated at Level III.

City of Orange Grove – The City of Orange Grove is activated at Level III.

Live Oak County – Live Oak County EOC is activated at Level IV

Nueces County – Nueces County EOC is activated at Level IV. Nueces County issued a Disaster Declaration on February 3.

As of 10:00 AM Saturday, there was a total of 64 people in the shelter overnight. The Warming Center will remain open at the Richard M. Borchard Fairgrounds. The Joint Operation continues between Nueces County, City of Robstown, and City of Corpus Christi. The Shelter will begin operation at 6PM and pets will not be allowed inside. CCRTA is offering a free bus service until 8PM. They will serve food and snacks thanks to H-E-B, Saturday night. They will provide breakfast Sunday morning and the CCRTA will transport back to the City on Sunday morning beginning at 8AM.

The City of Corpus Christi decreased the readiness level of their Emergency Operations Center to Level III (virtual).

City of Portland: The City of Portland EOC activated at Level IV

City of Robstown: The City of Robstown EOC activated at Level III

Refugio County: Refugio County EOC activated at Level IV.

DDC 21 – Weslaco (Includes: Cameron, Hidalgo and Willacy Counties)

DDC 21 is activated at Level III.

Cameron County – Space is available at Loaves and Fishes Shelter located at 514 South East Street in Harlingen. The Ozanam Center in Brownsville located at 656 N Minnesota Ave has opened its doors to anyone needing a safe and warm place to stay.

Hidalgo County –The Salvation Army in McAllen located at 1600 N 23rd Street is open to anyone needing a warm and safe place to stay.

DDC 24 – Del Rio (Includes: Dimmit, Edwards, La Salle, Kinney, Maverick, Real, Uvalde, Val Verde and Zavala Counties)

DDC 24 is activated at Level II.

Dimmit County – Dimmit County EOC is activated at Level III.

Edwards County – Edwards County EOC is activated at Level III. Edwards County opened a warming center at First Baptist Church Rock Springs at 500 Uvalde Rd.

Kinney County – Kinney County EOC is activated at Level III.

La Salle County – La Salle County EOC is activated at Level III.

Maverick County – Maverick County EOC is activated at Level III. Maverick County has warming centers open at the following locations:
Pueblo Nuevo, 253 Ruela St. Eagle Pass, TX

Seco Mines Community Center, 2989 Sanchez Ave., Eagle Pass, TX
Los Potrillos Dance Hall (Pending Confirmation), 1823 S. Veterans Blvd., Eagle Pass, TX

Real County – Real County EOC is activated at Level III.

Uvalde County – Uvalde County EOC is activated at Level III.

Val Verde County – Val Verde County EOC is activated at Level III.

Zavala County – Zavala County EOC is activated at Level III.

Region 4 (Includes DDCs 8, 9, and 10)

DDC 8 – El Paso (Includes: Brewster, Culberson, El Paso, Hudspeth, Jeff Davis and Presidio Counties)

DDC 8 is activated at Level III.

Hudspeth County - Hudspeth County opened a warming center at 528 N. Williams Avenue in Sierra Blanca at the County Barn where the Extension Agent Office is located.

DDC 9A – Midland (Includes: Andrews, Borden, Dawson, Ector, Gaines, Glasscock, Howard, Martin, Midland and Winkler Counties)

Ector County - Salvation Army 24/7 warming center is open during this event at 10TH & Jefferson, Capacity – 50. Connection Christian Church 4241 Tanglewood Lane is on standby and will open if Salvation Army reaches capacity.

Midland County - Salvation Army 24/7 600 East Wall, Midland, Texas, Capacity: 85, Total Last Night: 54. Breaking Bread Kitchen, 410 East Florida, is on standby and will open only if Salvation Army shelter reaches capacity.

Region 5 (Includes DDCs 1, 2, 3, and 7)

DDC 1 – Amarillo (Includes: Armstrong, Briscoe, Carson, Castro, Childress, Collingsworth, Dallam, Deaf Smith, Donley, Gray, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lipscomb, Moore, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher and Wheeler Counties)

DDC 2 – Lubbock (Includes: Bailey, Cochran, Crosby, Dickens, Floyd, Garza, Hale, Hockley, King, Lamb, Lubbock, Lynn, Motley, Terry, and Yoakum Counties)

DDC 2 is activated at Level III.

Lubbock County - Currently, the Salvation Army, Grace Campus and Open-Door Lubbock are open as warming centers.

City of Lubbock - The City of Lubbock EOC is activated at Level III.

DDC 7 – Abilene (Includes: Brown, Callahan, Coleman, Comanche, Eastland, Fisher, Haskell, Jones, Kent, Knox, Mitchell, Nolan, Runnels, Scurry, Shackelford, Stephens, Stonewall, Throckmorton and Taylor Counties)

DDC 7 reduced their readiness level to Level IV.

TxDOT hoped to wrap-up 24-hour operations by sundown, Saturday. Drive Texas currently lists several roads in Comanche County with icing issues, but crews are working to get these finished today. Overnight, temperatures are expected to drop into the low 20's but no major travel issues are anticipated. TxDOT-Brownwood will continue to monitor conditions closely, due to the potential for freezing fog in some areas. No roads are closed due to weather. There are no major power outages reported.

All jurisdictions in the district have been impacted by this incident but no disaster declarations have been received.

There are currently no closures or delays reported.

Many warming centers have been pre-identified and are ready to be operational if the need arises. Currently, Salvation Army Abilene is the only operational warming station.

Taylor County

City of Abilene - City of Abilene EOC returned to Level IV

Region 6 (Includes DDCs 11, 12, 17, 18A, 18B, and 23)

DDC 11 – Waco (Includes: Bosque, Falls, Freestone, Hill, Limestone and McLennan Counties)

DDC 11 has decreased their readiness level to Level IV. Multiple local jurisdictions and warming stations remain on active and standby throughout the district. The City of Marlin opened a warming center at their City Hall but has not received any residents or travelers. TXDPS offices will resume normal operations on Monday, February 7. All city, county, and state offices to resume normal operations on Monday, February 7. All education facilities to resume normal operations on Monday, February 7.

DDC 12 – Austin (Includes: Bastrop, Blanco, Burnet, Caldwell, Fayette, Hays, Lee, Llano, Travis, and Williamson Counties)

Travis County:

City of Austin: The City of Austin issued a Disaster Declaration on February 4. [City of Austin has issued a Boil Water Notice for all Austin Water Utility customers on February 5.](#)

Williamson County – Williamson County issued a Disaster Declaration on February 2.

DDC 17 – Victoria (Includes: Calhoun, DeWitt, Goliad, Gonzales, Lavaca, Jackson and Victoria Counties)

DDC 17 is activated at Level III.

DDC 18A – San Antonio (Includes: Bandera, Comal, Frio, Gillespie, Guadalupe, Kendall, Kerr, and Medina Counties)

Comal County

City of New Braunfels – The City of New Braunfels EOC is activated.

Gillespie County – Gillespie County EOC is activated.

Kerr County – Kerr County EOC is activated

DDC 18B – AARC/Bexar County (Includes: Atascosa, Bexar, Karnes, McMullen and Wilson Counties)

Bexar County – Bexar County submitted a Disaster Summary Outline on February 4.

DDC 23 – Killeen (Includes: Bell, Coryell, Hamilton, Lampasas, Milam, Mills and San Saba Counties)

DDC 23 Killeen is activated at Level III.

Bell County - Two warming centers are open in Temple. Salvation Army located at 419 W. Avenue G is open from 6PM to 7AM. Impact Church located at 306 E. Adams Avenue is open from 6PM to 8AM. These centers will operate nightly while Temple is experiencing below-freezing temperatures.

City of Temple: The City of Temple EOC is activated.

City of Killeen: The City of Killeen EOC is activated.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System

(TDEM): The State of Texas SOC increased its readiness level to Level II (Escalated Response) at 7:00 a.m., Wednesday, 2 February for winter weather response operations. TDEM regional Assistant Chiefs and District Coordinators continue to coordinate with local officials and emergency management partners, as well as the Disaster Districts to determine unmet needs and state resource needs. Daily Operations staff continue to process disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), preparing Snapshots and the State SITREPs. The State Management Team (SMT) continues conducting operations in the Remote SOC, working together with activated members of the State's Emergency Management Council.

In addition, TDEM continues to coordinate statewide weather situational awareness calls and coordination calls with energy industry providers, and the Texas Energy Reliability Council (TERC) to facilitate information sharing and situational awareness on the state's power grid.

Disaster Documents Received by the State Operations Center:

Document	Received from Cities	Received from Counties
Disaster Declarations	2	6
Disaster Summary Outlines		1

TDEM Communication Coordination Group (CCG): There have been no reports of major communications outages. Overnight, in Abilene, Hendrick Medical Center had an issue with their network phone system. The City of Abilene provided them with portable radios which provided them with an interim solution.

Overall cellular service levels are near normal / pre-storm levels. Where there has been impacts on service, cellular providers are working to restore service to pre-storm levels in the impacted areas.

The various Amateur Radio groups across the state have established radio nets to include the activation of VHF / UHF repeater networks across the state. The repeaters' primary purpose is to enhance local communications. However, the repeaters can be linked to increase the coverage areas. Currently, there are multiple repeater networks linked and activated. This is providing coverage from West Texas to Central Texas to East Texas to Fort Worth, to South Central Texas and beyond.

The Amateur Operators have begun providing Critical Infrastructure Reports, providing situational awareness of their local areas.

Our private sector partners continue to monitor the situation and provide assistance as needed. Our Statewide Satellite Initiative (SSI) service provider is assessing the network and providing technical assistance to users as may be needed. There are no current issues reported regarding satellite service.

Our federal partners are monitoring the situation and stand ready to support any request for assistance.

All ESF 2 partners are continuing to monitor the situation and plan and prepare as needed.

TDEM Disaster Recovery Task Force (DRTF): 7

ESF6 Mass Care

Warming center locations continually being updated. [As of Saturday morning, 145 warming centers were open.](#) Sheltering and Feeding partners across the state are supporting locals with basic supplies and reporting no unmet needs.

State VAL

Nonprofit and VOAD member organizations are providing continued assistance at the local level. Currently no unmet needs.

No unmet needs reported by Feeding Texas and partner foodbanks.

TDEM Recovery: TDEM Recovery has opened incident-specific damage surveys using the iSTAT tool and the pSTAT tools. The purpose of these surveys is to identify damages across Texas and to help emergency management officials across the state gain an understanding of damages that have occurred during the winter weather disaster.

Texas A&M AgriLife Extension Service (AgriLife): Disaster Assessment and Recovery agents and County Extension Strike Team members are on standby to support any ESF11 efforts associated with animal response or other winter recovery efforts as requested.

- Provided updated information through the agency's social media channels as well as our county agent network to support local governments and constituents with preparedness education/resources.
- Developed a Social Media Resource Guide for county offices to share winter storm preparedness information and resources.
- Texas EDEN website updated with resources and information for storm preparation and livestock preparedness.
- Media interviews secured with Univision and Spectrum Communications in Austin.
- Participated in the Texas Division of Emergency Management Communications Call with updates on communications work, planning and preparedness statewide.

- Communicated with Texas Animal Health Commission PIO with preparedness planning coordination.
- Shared the texashelp.tamu.edu with TDEM to be part of the list of resources for Texans via Gov. Abbott.

Texas A&M Engineering Extension Service (TEEX): Texas A&M Engineering Extension Service (TEEX) / Texas A&M Public Works Response Team (TX-PWRT) continues to support and coordinate operations from the Remote SOC serving as ESF-3.

- Two (2) TEEX/TX-PWRT personnel managing ESF 3 Public Works and Engineering at the Remote SOC in Austin.
- Three (3) TEEX/TX-PWRT personnel deployed to the Garland DDC. Team consists of one (1) Team Lead, one (1) Electric Power subject matter expert, and one (1) Water/Wastewater subject matter expert. This team was deployed per a request from Garland DDC. Tasked by DDC 4B Coordinator to research size, type and duration of electric utility outages in Hunt County. Contacted Hunt County Commissioner and established resource availability for ONCOR Utilities. Advanced team demobilized at 1330 hours on February 4.
- Addressing STAR requests as received - Currently one (1) received
- Advanced team worked with ESF-10 TCEQ and received reports of three boil water notices due to water main breaks in DDC 6. Coordinated with TCEQ concerning the current boil water notices and reasoning behind them: Bartley Woods WSC in Fannin County, Gober MUD in Fannin County, John Dame in Johnson County and Concho Rural Water Deer Valley Estate in Tom Green County.

Texas A&M Forest Service (TAMFS): TAMFS supported DPS, TXDOT and TDEM with winter weather response operations with Motor Graders and 4x4 vehicles and 37 personnel. They were assigned to the TxDOT districts of San Angelo, Amarillo, Eastland, and Abilene. Additionally, crews were assigned to DDEOC 22 (Sherman), Palo Pinto County, Parker County, Gillespie County, and Kerr County. All personnel have been released from their locations and have safely returned to their home units. All TAMFS crews have demobilized.

The EMC of Gillespie County requested TAMFS to assist with a large number of stranded vehicles on multiple state highways. Responded to a stranded tour bus needing to evacuate passengers. Released resources as mission was complete. Gillespie County mission is complete.

Public Utility Commission of Texas (PUC): As of 3PM, Saturday, the PUC is tracking 6,700 outages, 2,500 of which remain in Hunt County. Restoration of these outages is expected over the weekend.

Railroad Commission of Texas: (RRC): RRC is maintaining operational communication with local gas distribution companies, pipelines, and major producers. There will be continued status reporting correspondence between the RRC, local gas distribution companies, pipelines, and major producers throughout

the duration of this event. Operators, and other district personnel, will continue to monitor and report major impacts. RRC has not received any reports of weather-related natural gas production or distribution issues. Operators have reported that they do not anticipate major issues, as some transition to 24/7 operation

RRC will continue to support ESF 12 and work with TxDOT and PUC throughout the event.

Texas Animal Health Commission (TAHC): The Texas Animal Health Commission is maintaining situational awareness of the evolving weather incident. TAHC is activated to the SOC, is monitoring weather calls, and is coordinating with TAHC Regional Offices and animal response partners at the local, state, and federal level for support of local jurisdictions. Coordination communications have occurred with ESF-11 partners regarding potential hay/feed or other livestock-related support following the storm. All partners have indicated no unmet needs at this time but are working to prepare for anticipated issues. TAHC staff remain on standby for response to any animal issues which may arise. All ESF-11 partners are working to maintain contact and situational awareness of any concerns related to these issues.

Texas Commission on Environmental Quality (TCEQ): TCEQ is currently tracking 19 Community Public Drinking Water Systems that are on a boil water notice that serves a population of 16,854. Currently, no wastewater issues have been reported.

TCEQ has regional air monitoring crews deploying to Texas City due to a transmission outage.

Total Affected	19	16,854	

Texas Department of State Health Services (DSHS): DSHS Texas Emergency Medical Task Force (EMTF): The remote State Medical Operations Center (SMOC) activated at Increased Readiness level II to support winter weather response operations beginning at 07:00 AM Wednesday morning. [The Texas Emergency Medical Task Force \(EMTF\) returned to normal operations on Saturday.](#)

Texas Department of Public Safety (TXDPS): The Texas Department of Public Safety (DPS) has increased the readiness of statewide resources to appropriately respond to this winter weather event. Texas Highway Patrol (THP) troopers and other DPS personnel are fully prepared to respond as conditions dictate. Affected THP Disaster District Chairs are communicating with TxDOT, TDEM, TPWD, and local officials to implement emergency response plans.

DPS, TPWD, TxDOT, TMD, and local officials worked diligently to successfully clear traffic issues on Interstate 10 near Kerrville caused by extremely icy road conditions. DDCs in affected areas remain activated.

The Texas Highway Patrol assisted with the bulk delivery of diesel fuel needed in the Kerrville area.

Texas Military Department (TMD): TMD is supporting THP, TPWD, and TxDOT in protecting life and property during events of winter weather in Texas. TMD has activated [141](#) personnel and [60](#) vehicles. Units are staged in Wichita Falls, Lubbock, Abilene, Wylie, and Round Rock in support of 22-0004 February Winter Weather. A Military District Coordinator (MDC) has been assigned for District 4B. [TMD assigned Task Force Wrecker in Kerrville to assist TxDOT. All TMD resources are demobilizing.](#)

Texas Parks and Wildlife Department (TPWD): [Game Wardens have returned to normal operations and are ready to support TXDPS and other State/local authorities, if needed.](#)

Texas Department of Transportation (TxDOT): TxDOT crews continue de-icing and plowing snow throughout the impacted areas of the state. Crews are working 12 hour shifts around the clock, preparing, monitoring, and responding to the

changing roadway conditions. All 25 TxDOT Districts have personnel identified and ready to respond as conditions change. Currently, there are 3,259 roads impacted by winter weather.

FINAL COMMENTS: The State Operations Center (SOC) is activated at Level II (Escalated Response Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

- Level I (Emergency Conditions)
- Level II (Escalated Response Conditions)
- Level III (Increased Readiness Conditions)
- Level IV (Normal Conditions)

This Situation Report can be found on the TDEM webpage at:
